## About Mogambo

Mogambo Bar & Restaurant, the first Singapore concept under the Mogambo Asia Group umbrella, has become known as the Jewel of Boat Quay since it opened in 2011.

Though humble in size, the place, located just a street behind the Boat Quay waterfront, packs a major punch. Its inimitable atmosphere, inspired by the spirit and essence of the renowned Mogambo Tokyo, has made the venue a mainstay in the Singapore nightlife scene.

Famous for its quirky concept (cue the familiar refrain: "When you ring the bell at Mogambo, you buy everybody at the bar a SHOT!"), Mogambo is known for offering a no-frills, hard-to-top good time.

Its island-style bar is ideal for private functions - be it a birthday party, hen or stag night, farewell do or corporate get-together. There's also second bar catering to an outdoor dining and drinking area if outdoor seating is preferred.

The kitchen is helmed by home-grown F&B company Dharma's Kebabs & Foodcoholic, which serve up Asian and Western mains and a variety of pub grub. Or ask us about our catering menus, which can be tailored to suit your event requirements. Site visits are available at your convenience.

Get in touch with our team to discuss your function and allow us to take the stress out of event-planning for you.
