ABOUT MOGAMBO

Established in 2011, Mogambo Bar & Restaurant has become a standout destination in Singapore's Boat Quay nightlife scene. The first Singapore venue from the Mogambo Asia Group, it draws inspiration from the high-energy spirit of its Tokyo counterpart, offering guests a dynamic and memorable experience in the heart of the city.

Famous for its lively atmosphere — and the signature bell that signals a round of shots for the entire bar (“raise your glasses in the air and say CHEERS!”) — Mogambo is where great music, friendly faces, and spontaneous celebration come together. On weekends, our resident DJs set the tone with crowd-pleasing tunes that keep the dance floor alive well into the night.

The venue features two distinct zones that can be configured for a variety of private and corporate events: the Island Bar, an intimate setting ideal for exclusive parties, and the expansive Al Fresco section, served by the compact yet iconic Canton Bar.

Guests can enjoy a wide selection of draft beers, premium spirits, classic cocktails, wines and shooters. For food, our culinary partner Foodcoholic serves up a mix of Indian and Western favourites, with flexible catering packages to suit the nature and style of your event.

We're committed to delivering outstanding service and stress-free planning — so you can focus on hosting an event to remember. Site visits are welcome and can be arranged at your convenience. Get in touch with our team today to start planning your ultimate Mogambo experience.
